Well done girls!

Thank
you!
Volunteers!

Our fete is a resounding success!

On Behalf of Balgownie School I would like to express a sincere thank you to those inspirational members of the P&C and school community who have worked tirelessly over the past year to deliver what was truly an AMAZING FETE!! The day was an enormous success and of such a high standard. We were truly blessed to have such wonderful weather as well, which added significantly to the lovely spirit on the day. WELL DONE TO ALL OF THOSE OF YOU WHO CONTRIBUTED IN SOME WAY!!

Whilst the aim of the fete was to raise funds for the school, and it

certainly achieved this, there were so many other positive outcomes that need also to be acknowledged. The working together of members of our school over the past twelve months contributed significantly to community building within our school.

We have had numerous parents and community members who have come together over the course of the year to plan, create and problem solve. There have also been links developed and strengthened outside of the school gates to the broader community of the Illawarra, with so many people donating materials, contributing their skills and attending on the day. We are lucky to live and work in a community where local businesses value our children and their future. Thanks to the sponsors who have donated generously. Please support these local businesses and say thanks to them when you visit.

Who wouldn't want their child to attend a school with such a great sense of pride and community as was evident on Saturday? Our children had a great time as they watched the circus, played on side show alley and had fun on the rides. Thanks to those children who sold raffle tickets and helped with many tasks on the day and before.

We as a school community owe a debt of gratitude to the Fete Coordinators, Donna Guest and Megan Hammersley (where do you

get your drive from?) and their team who have ensured that the day was so well coordinated and of an extremely high quality. I am sure the community will be talking about this day for some time to come.

Thank you also to those volunteers who not only worked hard on the day (6.30am was an early start!) but also those who spent many hours 'behind the scenes' that only some people know about in terms of marketing, seeking sponsorship, WHS, administration, money collection organising items, planning the layout and the follow up afterwards. It is really appreciated. Without all your tireless effort and time, the fete could not have happened.

Thank you to the staff of our school who helped out to make it run smoothly. Thanks to our admin staff and to our GAs, who were here on Saturday to lend a hand wherever needed. We have a great team and we as a staff recognise that we have wonderful parents and community who share the common goal of making our school the best it can possibly be for all of our students.

Thank you to everyone who donated cakes, books, toys, jam jars, tins, packets, plants, raffle prizes etc. Without your kind donations we would not be able to run many of the stalls.

Volunteering is the ultimate exercise in democracy. You vote in elections once a year, but when you volunteer, you vote every day about the kind of community you want to live in. ~ Author Unknown
