Given the current COVID-19 restrictions, these opportunities may look very different, however we will endeavour to share the celebrations of student achievement as much as we can! We are looking forward to a wonderful Term 4!

Planning for 2021 – We are currently planning for 2021 and ask that if you are leaving, or if you know of a family that has moved into our area, please contact the office and let us know.

Landscape Gardener – We are looking to have some landscaping work done and would be very happy to have any landscape gardeners contact the school to provide a quote. If you know of a great landscape gardener, please pass on our contact number.

Hats and drinks – As the weather warms up, please ensure your child has their hat and their water bottle (both with names clearly displayed), with them every day. It is also a good idea to apply an

## Double Deal - Helping your school & the environment!

You probably know about Return & Earn? What you may not know is that you can contribute Return & Earn money to Balgownie Public School! Return & Earn works for those small single serve

plastic bottles (eg. gatorade), cans or glass bottles. Milk cartons or big juice cartons etc are not accepted, you can recycle them in your yellow bin at home.

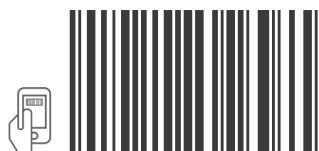

### Where is Return & Earn located?

The automatic deposit machine is located at the back of the Fraternity Club in Fairy Meadow. When you get to the Return & Earn collection point, simply scan the barcode below and start feeding your bottles down the chute. This money is then sent to the P & C's PayPal account which will help us raise money throughout the year. Every little bit helps and your children are always the recipients of material bought with the money raised for the school.

Of course recycling in any way is better than it going to landfill, so you can involve your children in Return & Earn where they can earn some pocket money, or you can choose to donate it to one of the charities or organisations listed.

Happy bottle & can collecting!
