Community Spirit

A huge thank you goes out to all those members of our local community who volunteered their time, made donations and were involved in the preparations for our Balgownie Fun Day last Saturday. Special thanks to our wonderful P&C who organised the event and all the teaching staff who turned up on the day to help out. Mrs McAndrew is still explaining to me the difference between a fete and a fun day. I think the difference is that it rains on fete days. Regardless, the day was a massive success and raised well above the funds expected. These will be targeted at continuing and improving the technology upgrades we have been implementing this year, chiefly in the areas of robotics and iPads.

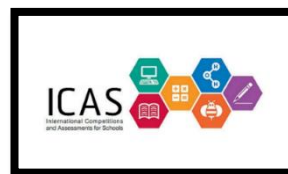

On a less positive note, unfortunately, we had a break-in on Friday evening which resulted in significant damage to our staff room. It is always disappointing when a community works so hard to improve their school which then becomes the target of mindless vandalism. If you see anyone suspicious in our school grounds outside of school hours or see someone climbing over one of the

security fences, please call the police. They will usually respond to such calls quite quickly. Having quite a few local families living very close to the school can be advantageous in regards to security!

Mr Loxton, Relieving Principal

Term 4 is traditionally an extremely busy term. There are many activities and events planned so please ensure that you have your calendar up to date.

No teaching experience is needed; volunteers receive training from Primary Ethics and lots of support from the school.

You must be available from 9.30-10.00 Tuesday mornings during term time for the 30 minute classes. Grandparents are very welcome to apply too! For more information about the role, please go to <http://www.primaryethics.com.au> or call Jodie on 0417113380.
